To Whom It May Concern:

It is with gladness that I recommend Rita Hubbard for the National Book Foundation Grant!

I have known Rita for over 20 years. As former Director of Nursing for the Alexian Brothers PACE Program in Chattanooga, TN, I had the pleasure of interacting with Rita in a work environment. Rita is a very diligent, focused and creative individual; she was an asset to the work place. More importantly though, I have had the honor to read several of Rita's published books, as well as attend book signings. The community here embraces her writings! Rita has always shared her successes, and I have watched her give back to the community, by supplying many children with books on an on-going basis.

Rita is an amazing person, both professionally and personally, and I believe she is an excellent candidate for the grant.

Sincerely,
